

Dear local business,

Event id: 61539

We are seeking your support for our 2017 Northern beaches girls night in. Girls Night In is a Cancer Council initiative raising money and awareness for women's cancers. Fundraising to date has raised nearly \$9 million nationally! These vital funds are used for research, prevention and support programs for women with cancer.

We would be truly grateful if you would support us by offering a prize donation, such as vouchers, products and services, for our 2017 event. Your donation will be used to help us **raise money to fight women's cancers** and **fund local support and community** groups for women of the **northern beaches** currently undergoing cancer treatment.

To acknowledge your support, we will promote your business via our website. Your logo will be placed on our sponsor page with a back-link to your website or Facebook page.

Northern beaches girls night in attracts hundreds of affluent women (aged 25-55) and is a meaningful way to increase your brand recognition. Media coverage has previously included the Manly Daily and Peninsula Living Magazine. The potential reach of our network extends beyond the local community via various business networks and online communities.

Our event has sold out for the last six years, raising a total of \$180,000 to date. This couldn't have been achieved without the support of local businesses, such as yours! This year our goal is to raise over \$30,000, and we expect to sell out once again.

The 2017 Northern beaches girls night in will be hosted at:

Dee Why RSL
Friday 13th October

Please send your donation by 22nd of September to:
